Message from the Head...

I hope you all enjoyed an enjoyable week away from school last week, and that Jubilee celebrations were successful! This first week of the half term is already at an end and we've had a busy time in school, as always. It was great to welcome the now-familiar faces back to school on Monday and to see the children settling quickly back into their routines.

Our Year 6 children enjoyed their first swimming session on Wednesday, where lessons were delivered to allow the children to build on their existing skills. These sessions will take place each Wednesday morning until July 13th. I am sure the children will represent the school with Excellence.

We have experienced slight changes to our staffing this week. Mrs Gore-Rowe spent time at her new school and we welcomed Mr Ioannou to school. He has started some work supporting us with our curriculum delivery and I am optimistic for provision for the next school year. We are always thinking ahead, of course.

Several people have asked about sports day this year. We do intend to host these events for all children, although a little closer to the end of term. I will confirm a date, but I am thinking of week beginning July 11th at this stage. Thanks for your patience.

A reminder that our PTA will be running a **Father's Day shop** on Tuesday and Wednesday lunchtimes next week. The deadline for payments is today, Friday 10th June.

Finally, we are meeting next week to discuss the **PTA Summer Fair**. I hope that many of you have been in touch with the PTA already to offer your support, but there is still time to get involved. Please email fhspta@gmail.com if you could support this event and help make it possible.

With very best wishes for the week ahead,
Richard Martin
