Message from the Head...

Dear Parents / Carers,

Today we have said farewell to Miss Scott, as she leaves us to take up a new position elsewhere. Miss Scott has supported many of our children over the past five years, and we are grateful for her contribution to our community. The children gave Miss Scott a warm send-off during this afternoon's assembly.

You should all have received the curriculum newsletters for your children's classes this week. These can be used to guide you on the learning the children will be completing this half term. You can also find these newsletters on our website - just click on the curriculum tab and feel free to explore!

We have been pleased to begin our offer of new clubs for KS2 children in school this week. There have been netball and football clubs at lunchtime, along with running and hockey clubs taking place after school. These school-run clubs are in addition to the Musical Theatre and Cheerleading clubs, which are run privately by Inspirations.

I spoke to our children in assembly this week about some antisocial behaviours we have seen in school. Specifically, I have asked the children if it possible for them to avoid climbing on toilets and cubicles when they are accessing their cloakrooms. Whilst this is likely only a very small number of children, we are always grateful for your support in setting the expectations for in-school behaviours and communication. Thank you in advance for your help with this!

Safer Internet Day is coming up, on 6th February. As part of this, we are welcoming OpenView Education into school on Wednesday 31st January. They will be running workshops and assemblies with all of our classes. We will also be providing online resources and training for parents/carers to access, and hosting a short parent/carers workshop at 2.45pm on Wednesday 31st January.

With best wishes for the weekend, Richard Martin.
