

P.E.

Outdoors: Fundamentals, unit 3 - Children will focus on rolling, receiving and striking balls in cricket.
Athletics – children will develop an awareness of speed and distance. They will also throw for accuracy and distance.

Geography

Use simple fieldwork and observational skills to study the geography of their school and its grounds. We will also focus on map work by devising a simple map and use and construct basic symbols in a key.

Maths:

Number – securing number bonds to 20.

Measures, Time - telling the time to the hour and half hour. Sequence events in chronological order.

Measures, Mass and capacity – we will be learning about capacity and volume (for example, heavy/light, heavier than, lighter than).

Position and direction – describe position, direction and movement, including whole, half, quarter and three quarter turns.

Art and Design

We will be learning about the work of David Hockney. We will be describing similarities and differences between practices. This will also develop a range of art and design techniques in using colour and pattern.

Our topic is:
Secret Garden

English

Poetry Writing: Focusing on different Poets work.

Fiction Writing: Fantasy story.

We will also use cross-curricular opportunities to write poetry, fiction and non-fiction texts throughout the term.

PHSE – children will focus on the human life cycle.

Religious Education: Questions about God

Music – I wanna play in a band

Science

We will be identifying and naming a variety of common and wild and garden plants, including deciduous and evergreen trees. We will also identify and describe the basic structure of a variety of common flowering plants, including trees.
