Message from the Head...

Dear parent / carer,

I am sure you will have seen the letter regarding **strike action**, which will affect the school next Wednesday. I plan to update you on Monday with as much planning as I am able to. Things could change on the day itself. I am sure you will understand the need to respond appropriately in order to ensure school can welcome pupils safely. We appreciate your support with this.

The children in Upper Key Stage 2 (Banksy, Goldsworthy, Hockney) and Klee Class all experienced creating some Chinese food this week as part of **Chinese New Year and topic work**. Miss Masangcay very kindly provided the ingredients and instruction for the children to be successful in making spring rolls and tasting chow mein. The children engaged in this activity very positively.

As part of our commitment to safeguarding and supporting our community, we have included with this newsletter a **'Healthy Relationships Checklist'**. If you are concerned about a relationship you are in, this checklist might help you consider its safety and appropriateness. Should you need support, please reach out to Mrs Adkins, Mrs Flinders or myself, in confidence, at the school.

February 22nd is **World Thinking Day**, an event that is celebrated jointly by children in Scouting and Girlguiding groups. If your child is a member of Rainbows, Beavers, Brownies, Cubs, Guides or Scouts, they can wear the uniform of that group to school on the day. We aim to recognise the day in our assembly and celebrate the activity of our children as part of these groups.

Before that, there are two events to share with you or remind you of. Firstly, we have attached a poster for a **free film night in Hilton** taking place this Saturday. I hope many of you will be interested in this community event and the opportunity to get out on a January evening. And finally, next Friday afternoon we are hosting our **school discos**, firstly for Reception and KS1 children (straight after school), and then for KS2 children (4.45pm). Parents/carers of KS1 children, please ensure you have completed the form to sign your child up for the event.

With best wishes for a peaceful weekend! Richard Martin.
