Message from the Head...

Dear Parents / Carers,

What a cold week this one has been! I am sure many spirits will have been lifted this morning, though, with the opening of advent calendars. Whether this season for you is about Christian worship, the anticipation of family time, taking a well-earned break, or simply sticking to your usual routine, we hope it will be happy and peaceful for everyone in our community.

Primary schools are exciting places to be at this time of year, of course, and we are looking forward to our Santa Run with the PTA on Monday morning (no preparation needed!) and the Christmas Jumper Day for Save the Children next Thursday. A reminder that you can donate here - [FHPS Christmas Jumper Day](#) - if you want to and are able to. **Please note:** Narrators for the nativity play can bring jumpers into school next Friday, and not on Monday, when the rest of the children's outfits are being brought in.

With our newsletter today, you will also be receiving some other documents, including information from the Department for Culture, Media and Sport about physical activity. In school, our children take part in two PE sessions per week, in addition to their outside and active break times and lunchtimes. You will see from the poster that there are many ways for our children to keep active.

We are looking forward to seeing many of you in school next Tuesday evening and then online on Wednesday evening, for our parent and carer meetings. We will be making contact with those of you who have not been able to book an appointment, to arrange convenient times to meet before the end of term. Thank you for your patience with us. Please be assured that we are keen to connect with as many parents and carers as possible.

With best wishes for the weekend, Richard Martin.
