Message from the Head...

Dear parent / carer,

It has been fantastic to have all of the children in school once again this week, following last week's PGL and Bikeability Course. Our learning environments are settling down into good routines.

It was a very proud moment for me, personally, to introduce the wonderful Harvest Festival where our children represented us, and our community, superbly.

Thank you to those of you who joined us for the Parent Coffee Morning today. It was great to see the level of support we receive from our community and we look forward to hosting more events like this in the future.

Next week we will be holding a parent's phonics meeting for our EYFS and KS1 children where we will have the opportunity to share our practice and provide you with further information on how to support your child's reading at home. You should have already received an invitation to this from the KS1 Team. The meeting link is here:

We have had several conversations this week on our playgrounds about our value of Respect and how we treat others. Often, this starts with respect for ourselves, which in turn influences our appropriate behaviour. If you are able to follow this up with your children at home, I am sure it will support a positive response in school.

Thank you for your continued support. I hope you all have a wonderful weekend.

With very best wishes, Richard Martin.
