

Birch Class News

W/B 14th January 2019

What we will be learning:

Maths: We are learning to share equally and divide using one step problems.

English: We are continuing our poetry and started looking at "What am I?" poems.

Class news:

We have introduced timetable rockstars to year 2. This is a program designed to help children learn their times tables. Usernames and passwords went home with children last week!

In Birch class we have introduced 'SMART seating' This means the children are responsible for their own learning seats. They choose where and how they sit for each session. This has worked well so far and children are taking ownership of their learning.

What we will be learning:

Topic: Our topic this term is Home and away so we are comparing and contrasting East Anglia to East coast Australia. This week we focusing on human and physical features. Can you spot any?

Science: We will be continuing our long term observation on where fish like to 'hang-out' in the tank during the day.

Things to remember:

Family Café Friday at 1.45

Rainbow crafts!
