A message from the Headteacher:

We have had a very busy short week in school this week. We have enjoyed the sunshine and many different activities! There was a real highlight yesterday when the Year 3 and 4 children took part in their Bikeability sessions on the playground. Engagement has high and behaviour was really positive. Thank you for the support from home, and to Mrs Howard for managing the administration of everything to ensure as many children as possible could take part.

We are ending the week with two discos this afternoon. What an exciting prospect for the children after the lack of events like this over the last couple of years! The PTA are leading on this event, with support from school staff. Thank you to all of those making this event possible for the children.

Next week our Year 6 children will be sitting their Key Stage 2 assessments. These take place each morning from Monday – Thursday. Please ensure children in these year groups are well-rested and on time for school next week. There is the offer of a SATs breakfast for the children.; they are welcome in school from 8.30am from Monday – Thursday, where they can have something to eat and settle into a calm

environment. Best wishes to all involved.

I hope you all have a great weekend and enjoy the warmer weather.

Best wishes,
Richard Martin
