Message from the Head...

Firstly, a thank you for your positive engagement with parents' evenings this week. It was a pleasure for me to see the evening taking shape on Tuesday and to hear about some of the positive conversations that took place online on Wednesday evening. I was also able to speak with some of you who had queries or concerns to raise. This contact for us is very important and we do want to listen to points you wish to raise and put things in place to support improvement.

I hope you have heard about yesterday's 'Santa Dash', which saw nearly all of our school community running on the school field in our Christmas jumpers. The hard ground made things easier for us and we were able to stay warm in the fresh air and sunshine. Later yesterday, I understand the man himself made an appearance during the Klee Class party. Father Christmas gave presents to all of the children and congratulated them on a successful term in school. Thank you to staff and parents/carers for collaborating to make this event possible.

The PTA have been busy again this week with the present shops in school and wreath making on Wednesday evening and tonight. Next week the PTA will host a decoration afternoon for children in EYFS and a movie night for children in Years 1-6 on Thursday. All of this follows the great success of the Winter Fair, which was extremely well-supported.

Next week is the last week of term and it will be as busy as ever with nativity plays, a church service and Christmas dinner. The dinner is on Thursday and children are invited to wear Christmas jumpers again for the day, along with their usual school trousers/shorts/dresses/skirts, t-shirts/shirts and shoes.

I hope you all enjoy a fun and festive weekend. I think there might be a football match happening, too!

With best wishes, from Richard Martin.
