Message from the Head...

Dear Parents / Carers,

You should all be receiving reports for your children today, along with confirmation of which class groups children will be in from September. Some parents and carers will additionally receive information following statutory assessments that have taken place this term. I appreciate the formation of new classes is often a big moment for some children and families. We have considered our KS2 class lists at length to create what we feel will work. We thank you for your support with this.

Our Year 6 children are now into their final few days at our school. This week the children, along with their Year 5 peers, enjoyed some taster coaching sessions with Cambridge Rugby Club. They have also been working hard on preparations for their Leavers' Assembly next Tuesday morning. We are looking forward to seeing you there! Before that, our Year 6 leavers will have a BBQ and Games afternoon on Monday. This has been funded by our PTA and promises to be lots of fun!

I was sorry to miss the piano assembly this Wednesday morning but have been told that the children performed excellently and the audience were very impressed! Well done to all our young performers. Next Tuesday afternoon we will host our guitar assembly to celebrate the progress and skills of the children, who have been working hard all year.

In last week's newsletter, I mentioned the success of our sports day. I wanted to follow that up by thanking you all for your support on the day and for the day. I had sent a letter regarding PE kit and it was great to see that nearly all of our pupils were able to wear our standard PE kit for the event. Thank you for your help with this, and for your encouragement and celebration of the children's achievements.

I will finish with some additional messages about next week. On Monday afternoon, straight after school until 4.00pm, we will host Open Classrooms for you to meet staff informally and view children's work. On Wednesday and Thursday mornings, children will spend time in their new class groups and teachers will meet regarding the transition of pupils. On Tuesday, Year 6 children should bring or wear a white t-shirt if they would like to collect signatures and messages from their friends. No pens out before assembly though!! Finally, Friday will be a non-school uniform day for all pupils.

With very best wishes for the weekend ahead, Richard Martin.
