## Message from the Head...

Dear parent / carer,

Well done to all the children who had the nasal flu vaccination today! Lots of tickly noses but the children all handled things very calmly. It was positive, as always, to end the week with our Celebration Assembly, sharing the success of children across our school over the past week.

On Monday, the children will be having their individual and sibling groups photographs in school. I am sure we will all be looking neat and tidy for those! On Tuesday next week, we are welcoming visitors from Cambridge University, who will lead two 'Astronomy' assemblies for our children. This is part of our 'Is the Sky the Limit?' topic and should be an extension of classroom learning.

On Monday evening this week, the PTA held their AGM. Some dates for upcoming events were agreed and we will provide further information of these things in due course. For your reference, we have added a link to the home page of our website containing a key date's document. Scroll to down slightly and click on [Key dates for this academic year 2022-2023](#). This is just a reference point for upcoming dates. We will of course provide full details of events as they approach. The first PTA event to look out for is the cake and pre-loved clothing sale, which will be after school on Monday 17th October.

Whatever you get up to this weekend, I hope you are able to relax and enjoy some happy moments with friends and family. We look forward to welcoming you all back to school on Monday and supporting the children with the next steps in their learning journeys.

**With very best wishes, Richard Martin.**

## Diary Dates...

### Individual School Photos

Monday, 10<sup>th</sup> October

### Half-Term

24<sup>th</sup> October – 28<sup>th</sup> October

### Teacher Training Day

Monday, 31<sup>st</sup> October **School Closed**
