Message from the Head...

Dear Parents / Carers,

The children have been very busy this week in creating our International Women's Day display and creating work as part of Global Recycling Day. As I write, there is a lot of activity in the school hall as children bring work along and adults support with its presentation. If you were able to join us, we hope you enjoyed the opportunity to see this work.

We have also had the Book Fair running all week, supported by our PTA. Along with engaging young people in a love of reading, the school further benefits from taking a share in the profits of books sold. Thank you if you have been able to visit and make a purchase.

We have now taken receipt of visualisers for all of our classrooms, courtesy of our PTA. The visualisers have come at a total cost of more than £1000, and we are very grateful for this support to enhance our classroom provision.

I am hoping you will support me, particularly if you have children in Upper Key Stage 2, in ensuring that mobile phones do not come into school. If children do need to bring phones to school, they must be left in the school office at the start of the day and collected at the end of the day. There is no need for any of our pupils to have a mobile phone during the day. Please remind your child/ren of this.

Next week is the final week of a busy term. We are looking forward to seeing many of you in school on Tuesday evening for parents' evening, and online on Wednesday evening. Although these meetings are relatively short, I hope they will help you connect with your child's experience in our school. Please remember that we are always keen to work with you in support of the children. Class teachers are around at collection time each afternoon for informal messages to be shared. Should there be more confidential or serious matters to discuss, we can arrange meetings as necessary.

With best wishes for the weekend, Richard Martin.

Parking at School

Parents and others **should not park along School Lane** as there are **double yellow lines** on one side and the other is for the white cottage residents. Before that on Honey Hill, it is a clearway between 8.30-9.30am & 3.00 – 4.00pm Mon – Fri, so we would advise you to park in the church car park down Church Leys.
