Message from the Head...

The weeks of this term seem to be flashing past and half term will soon be upon us. We have had another busy week in school, with staff working with English and Maths teams from the local authority to develop our provision for the children. I have had the opportunity to be in several classes this week and join maths lessons in both Reception and Year 6. The engagement and energy of the children, and the guidance given by teachers, has been very positive to see. Thank you also to the children of Goldsworthy Class, who showed patience and dedication when I stepped in to deliver a lesson to them this week!

You should all have received a letter via email yesterday, detailing plans for next Friday and our celebration of the Queen's Platinum Jubilee. We are looking forward to an afternoon of coming together as a school community and having some fun on the last day of half term. I am hopeful that you will all be supportive of us hosting this event for the children to mark the occasion.

We continue to promote the school's values, shown at the bottom of this page, throughout the week at school and in our assemblies. Although the children of our school are generally very well-behaved, there are instances where unkind words and actions are used outside on the playground and field. Staff work hard to manage and support this and we very much value any added support you can provide from home to support our expectations.

Finally, I hope those of you joining the PTA team for tomorrow afternoon's bingo here at school will have a great time. There are some fantastic prizes on offer. Tickets are still available at <https://fhpspta.com/event/family-bingo/#tribe-tickets>

With very best wishes for a happy weekend,
Richard Martin

Diary Dates...

Thursday 26th – Friday 27th May

Year 6 camp @ school

Friday 27th May – Platinum Jubilee

Red, White and Blue dress down day.

Monday 30th May – Friday 3rd June
