Message from the Head...

We have to start with our Year 6 children this week, who have been sitting their Key Stage 2 SATs each morning. They have all approached things calmly and with a maturity, that has made the whole experience very smooth within school. We are very proud of you all! It was also great to see so many of the group in school each morning for a SATs breakfast, which was very popular from what I saw. I'm sure the children will join me in thanking the team of staff who set this up and led the children throughout the week. Well done and thank you to everyone involved. A special mention to the Year 5 children, who also showed their best qualities as they worked away from the classroom each morning. Your support was appreciated.

On the final day of this half term (Friday 27th May), we will celebrate the Queen's Platinum Jubilee with some activities in school. Children will create bunting for corridors and classrooms and learn about this important historical event. We will also host an outdoor party and games on the Friday afternoon and invite children to dress in red, white and blue for this day. We will send a letter next week to confirm plans.

What a treat we had last Friday evening with the school discos! Both events were very well attended and it was fantastic to see the children enjoying themselves and having lots of fun. My thanks to the PTA team for hosting this event for the children, and to the team of staff who gave their time to support it. We all enjoyed ourselves, too! You will have seen from the PTA newsletter earlier this week that this event raised over £1000 for the school. I might have to add a few more items to our wish list...

With very best wishes for a peaceful weekend,

Richard Martin

Diary Dates...

Thursday 26th – Friday 27th May

Year 6 camp @ school

Friday 27th May

Red, White and Blue dress down day.

Monday 30th May – Friday 3rd June

Half term break – no school

Monday 6th June

Children return to school

Wednesday 8th June
