Message from the Head...

Dear parents and carers,

It was a great pleasure for me to accompany seven of our children to yesterday's Panathlon event at Swavesey Village College. The children, all from Key Stage 2, took part in seven different sporting activities in the sports hall. Our team took part with determination and skill, representing the school and themselves so positively. Of the six schools taking part, our school finished second. The children were presented with medals and certificates at the end of the event.

You will have seen several messages about the *Building Confidence Workshop* taking place in school next Wednesday (21st) morning at 9.30am. Our team of staff took part in a similar workshop this week, which is aimed at supporting children to manage their worries. Many parents and carers talk to us about the support available to their children, so I am hoping this offer will be of interest to many of you. You can sign up for the workshop [here](#).

We have booked some karate workshops for our children to take part in later this half term. All children from Preschool to Year 6 will take part in 30-minute taster sessions with a local instructor. We are grateful to our PTA team for covering the cost of these workshops for us.

We are excited for our Reception (Klee Class) children, who will be taking part in balance bike sessions next week. These sessions have been great fun in the past and the children have really enjoyed them. (Please note: only children who have been signed up for the sessions will access this activity.)

Our Year 1 – Year 3 Multi Sports Club got off to a very positive start last Friday afternoon. These sessions will continue to take place on Friday afternoons throughout this half term.

With best wishes for the weekend, from Richard Martin and all of the team in school.

Diary Dates
