Message from the Head...

Dear Parents / Carers,

Thank you for engaging with our Parents' Evenings this week. We were able to connect with the families of almost 90% of our children across Tuesday and Wednesday evening. We will make contact with you next half term if we were not able to meet with you this week.

Last Friday morning a small group of parents joined Mrs Dino for our 'Meet the SENCo' session. We are grateful for your time and support. For those who are interested but could not attend, we have added the presentation slides from the session to the [SEND pages](#) of our website.

I am sure you and your children are looking forward to some time away from the hectic schedule of school next week. I hope you will enjoy a peaceful and happy time, along with the excitement of Halloween and perhaps some firework displays. Please remember that Monday 4th November is a Professional Development Day for staff. All children return to school on Tuesday 5th November. In that first week back, you are invited to our **Maths Morning on Wednesday 6th November** from 9.05am. This session will provide the chance to visit classrooms!

Also, in the first week of next half term, we are hosting the **PTA Glow Discos on Friday 8th November**. For the Reception and Key Stage 1 disco straight from school, it is essential that you sign children up for the event using [this google form](#) AND make payment through School Gateway. For the Key Stage 2 event at 4.45pm, children can pay on arrival. Please ensure that Key Stage 2 children DO NOT BRING MOBILE PHONES to the discos. All children will need to be collected by an adult from this event, regardless of year group. Please note that this day will also be a non-uniform day for pupils.

You will see in the dates section below that the PTA are hosting a Christmas Jumper Sale after school on Friday 22nd November. Any donations you are able to make for this should be brought into school by Friday 15th, please.

With best wishes for a peaceful weekend and a happy half term break!

From Richard Martin and all of the team in school.
