

Fenstanton and Hilton Primary School and Nursery

Newsletter: May, 7th 2021

A message from the Headteachers:

We hope you all enjoyed the bank holiday weekend, if not the weather!

Our chicks are now in their new home. The children in reception and Nursery have loved watching them grow and develop. Thank you to the PTA for making this happen.

Our new fencing is up. So we can now start to develop the new Early Years outdoor learning space. We really can't wait until we can invite parents back into school to see the changes that have occurred.

Unfortunately, the latest advice from the LA is recommending that we make no changes to current arrangements and that face to face meetings with parents will not be possible. We will therefore be arranging a virtual parents meeting for parents and teachers to discuss their child's progress and how they can be supported at home and in school. We will send out further information in the coming weeks.

A huge thank you to those of you who have volunteered to help within school. As soon as the guidance for schools changes, we will be in touch again with further details. Thank you.

Part-Time Caretaker/Key holder wanted

We are advertising for a part-time caretaker. If you would like to find out more about the position please email the school office

office@fenstanton.cambs.sch.uk

Over and In:

As you know, Over and In are joining us in school this term to take our classes for PE sessions in school. This will release teachers to work with individuals and groups of children to support them in catching up with areas of the curriculum they have missed and provide an opportunity for booster groups.

May Half-term Camps:

Please see attached posters.

Half-term Dates:

31st May to Friday, 4th June
